Guidance for Evaluating Compliance with APPM I.A.6. for Team Chairs and Program Evaluators – 2025-26 Accreditation Cycle

Guidance on Program Criteria

The applicable program criteria for a program are listed in the Request for Evaluation (RFE) in AMS and shown on ABET's public website, [amspub.abet.org/aps](https://www.abet.org/aps) as the "Program Criteria". If the Program Criteria on the RFE is "General Criteria Only," the program must be identified as:

"accredited by the _____ Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria with no applicable program criteria." If the program was accredited by more than one commission, the accreditation details must be provided for each commission.

If the Program Criteria on the RFE is something other than "General Criteria Only," the program must be identified as:

"accredited by the _____ Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for _____." If the program was evaluated under more than one set of program criteria, each Program Criteria must be listed.

Where the Program Criteria are entered in the second blank. Some examples:

The Land Surveying program is accredited by the Applied and Natural Science Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for Surveying and Geomatics."

The Computer Information System program is accredited by the Computing Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for Information Systems."

The Computer Engineering program is accredited by the Engineering Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for Computer Engineering."

The Electronics and Computer Engineering Technology program is accredited by the Engineering Technology Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for Computer Engineering Technology and Electrical and Electronics Engineering Technology."

The Computer Science and Engineering program is accredited by the Engineering Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for Computer Engineering."

The Computer Science and Engineering program is accredited by the Computing Accreditation Commission of ABET, <https://www.abet.org>, under the commission's General Criteria and Program Criteria for Computer Science."
